Catching a mention of homeopathy on Obama's visit!

<http://news.bbc.co.uk/1/hi/uk/7976455.stm>

[Catching homeopathic pseudoscience on the Obama's visit](#)

HST Global, Inc.

31st March 2009

is a Hampton, Virginia based company that is developing and acquiring a network of Wellness Centers worldwide that are primarily focused on the homeopathic and alternative treatment of late stage cancer. In addition, the company intends to acquire innovative products for the treatment of late stage cancer. In this regard, the company primarily focuses on homeopathic and alternative product candidates that are undergoing or have already completed significant clinical testing for the treatment of late stage cancer.

Sue Young's Excellent Homoeopathy Bios...

Charles Thomas Pearce 1815 - 1883

was an English physician and early opponent of mandatory vaccination. A member of the Royal College of Surgeons, he was a homeopath with an interest in medical astrology, and opposed to vivisection. Pearce began lecturing on the subject, and in Northampton in 1860 he held his first public debate, making the town a centre of resistance to the compulsory vaccination law.
