Give alternative health care a chance

5th July 2009

Insurance will not cover anything that is out of the box. And that affects all of us. As we watch the saga of health care take center stage in Congress, I can't help but wonder where is the grassroots outcry? <http://likethedew.com/2009/07/05/give-alternative-health-care-a-chance/>

Vaccine Damage Compensation

DOCTOR'S MMR FEARS July 7, 2009. 'FRESH fears for the safety of MMR vaccinations will be raised this week with a claim that more than 3,000 British babies could be at risk of autism and even death each year.' 'The claim centres on a condition that affects one in 200 people. In a new edition of his book, *The Truth About Vaccines*, Dr Richard Halvorsen, collates the latest studies that suggest children with the condition have developed autism after jabs.' 'The condition, mitochondrial dysfunction, describes the failure of parts of the victim's cells which produce energy.'
