World Homeopathy Awareness Week...

Homeopathy emerging as most reliable treatment method 10 April 2009

KANPUR: Celebrating the World Homeopathy Day on Friday, the medical fraternity of homeopathy doctors in city was of the view that it is fast emerging as the most reliable technique of treatment around the world.... Physicians were of the view that India has turned a global leader in field of homeopathy. Dr Katiyar said, "The data available with us stands as testimony to the fact. With about 3 lakh registered homeopaths, 10,000 government dispensaries, 30,000 hospitals, 182 homeopathy medical colleges, more than 18,000 students and more than 600 pharma companies dedicated to the cause of research, India is the clear market leader in homeopathy."

Skeptics....

Public debate - Ernst and Singh again!

The KCL Social Medicine Society, the medical student interest group in medicine and society at King's College London invites you to a debate on

Tuesday 28th April 2009 at 6pm

The motion of the debate is

"This house believes complementary and alternative therapies do more harm than good."

Proposing the motion: Simon Singh co-author (with Prof Edzard Ernst) of 'Trick or Treatment: alternative medicine on trial'

Prof Michael Baum Emeritus Professor of Surgery

Opposing the motion: Prof George Lewith Professor of Health Research in the Complementary and Integrated Medicine Research Unit at the University of Southampton

Prof David Peters Clinical Director, School of Integrated Health at the University of Westminster

The debate will take place at Guy's Hospital Campus and begin at 1800. We will aim to finish by 19.30.

This event is open to all, so feel free to invite any interested parties or to publicise the details
