Switzerland: Alternative medicine promoted ahead of vote 27th March 2009

Campaigners have called for a legal boost for homeopathy, traditional Chinese medicine and other alternative forms of medicine. Voters will decide on May 17 whether to include alternative medical treatments in the list of services paid for by the mandatory health insurance.

http://www.swissinfo.ch/eng/news_digest/Alternative_medicine_promoted_ahead_of_vote.html?siteSect=104&sid=10504851&cKey=1238160443000&ty=nd

Review - Superstition

Belief in the Age of Science by Robert L. Park

Chapter nine returns us mainly to medicine, with homeopathy "as a surrogate for all superstitious medicine" (p. 160), but with a run through Benveniste's notorious claims about "water remembering" **and the attempts Park made to arrange a proper test, cut short by Benveniste's death in 2004.**

'13 Things That Don't Make Sense' by Michael Brooks - review 27th March 2009

And then there's the strange case of homoeopathy. It *shouldn't* work, because homeopathic solutions contain so little medicine they might as well contain none at all. But some experiments suggest that homeopathic remedies work better than placebos.
